

**ZONING ADMINISTRATOR**  
**NOTICE OF DECISION**

**Date:** January 15, 2015  
**Applicant:** Banfield Pet Hospital  
**Case No.:** PCC-14-077  
**Address:** 970 Eastlake Parkway, Suite 102  
Eastlake Village Marketplace  
**Project Planner:** Harold Phelps, AICP

Notice is hereby given that on January 15, 2015, the Zoning Administrator considered Conditional Use Permit (CUP) application PCC-14-077, filed by Jeff Hammond of Scott/Edwards Architecture, LLP for Banfield Pet Hospital ("Applicant"). The Applicant requests a CUP to establish a veterinarian clinic in an existing building suite ("Project"). The Project is located at 970 Eastlake Parkway, Suite 102 ("Project Site") owned by Eastlake Village Marketplace, LLC ("Property Owner"). The Project Site is zoned Planned Community - Visitor Commercial (PC-4/VC-1) in the Eastlake II Sectional Planning Area (SPA) Plan, and Commercial Retail in the General Plan Land Use Diagram.

Planning Staff has reviewed the proposed project for compliance with the California Environmental Quality Act (CEQA) and has determined that the project was adequately covered in the previously adopted EIR 92-01 for the Eastlake II SPA Plan. No further environmental review or documentation is necessary.

The Zoning Administrator, under the provisions of Section 19.14.030.A of the Chula Vista Municipal Code and the Eastlake IISPA plan, has been able to make the conditional use permit findings as required by CVMC Section 19.14.080:

- 1. That the proposed use at this location is necessary or desirable to provide a service or facility which will contribute to the general well being of the neighborhood or community.**

A veterinarian clinic facility will provide a necessary or desirable animal health care service to the community at this location. The proximity to the neighboring Eastlake residential community provides reduced transportation time for clients at a convenient location. Thus, this facility and the services it provides will contribute to the general well-being of the neighborhood and the community.

- 2. That such use will not, under the circumstances of the particular case, be detrimental to the health, safety or general welfare of persons residing or working in the vicinity or injurious to property or improvements in the vicinity.**

The proposed use will not be detrimental to the health, safety or general welfare of the residents or workers nor to property or improvements in the area. The characteristics of the proposed veterinary clinic and its operation do not have features that could have detrimental effects to the surrounding businesses or residential neighborhoods in the area. All services will be provided interior to the premises of the building suite, and there will be no boarding or overnight animal care provided at this facility. The use will be subject to meeting all health, safety and general welfare standards and regulations set forth by the City of Chula Vista.

**3. That the use will comply with the regulations and conditions specified in the code for such use.**

The granting of this Conditional Use Permit is conditioned to require the Applicant and Property Owner to fulfill conditions of approval and comply with all applicable regulations and standards specified in the Municipal Code, the California Building, Fire and other applicable codes. These conditions will be enforced through building plan review, inspections prior to occupancy of the use and the subsequent operation of the business. Furthermore, the conditions of this permit are approximately in proportion to the nature and extent of the impact created by the project in that the conditions imposed are directly related to, and of a nature and scope related to the size and impact of the project. The project will comply with all regulations and conditions specified for this permit.

**4. That the granting of the Conditional Use Permit will not adversely affect the General Plan of the City or the adopted plan of any governmental agency.**

The General Plan designates the site Retail Commercial. This finding is met because the Project must operate under this Conditional Use Permit pursuant to the Eastlake II Sectional Planning Area (SPA) Plan consistent with the Visitor Commercial (VC-1) conditional land uses. The proposed project is consistent with the General Plan Commercial Retail land use designation and will not adversely affect implementation of the General Plan.

BASED ON THE FINDINGS ABOVE, THE ZONING ADMINISTRATOR hereby approves Conditional Use Permit PCC-14-077 as described above subject to the following conditions of approval:

**I. Prior to the approval by the City of Chula Vista for the use of the subject property in reliance upon this approval, the Applicant shall satisfy the following requirements:**
